

**Job Title:** Idaho School Finance Fellowship  
**Location:** Boise, Idaho  
**Position Availability:** August 2020

#### **POSITION DETAILS**

The Idaho School Finance Fellowship will help transform education for Idaho's neediest students by empowering financial experts who are passionate about improving the prospects of children and families. We seek to recruit top finance talent into the ranks of Idaho's public school leadership. The one-year fellowship will prepare an individual for planning, implementing, managing and controlling all of the financial-related activities of a public charter school in Idaho. This includes direct responsibility for accounting, finance, forecasting, strategic planning, property management, and deal analysis.

#### **WHO WE ARE**

Bluum is a non-profit organization committed to ensuring Idaho's children reach their fullest potential by cultivating great leaders and innovative schools. We work to help Idaho become a national model for how to maximize learning opportunities for children. With the help of educators across the state and other partners committed to serving families and children, Bluum works to create 20,000 new, high-performing school seats in Idaho in 10 years.

#### **WHAT YOU'LL DO**

- **Serve** in a one-year fellowship for a prospective school finance officer placement shared between Bluum and existing partner schools.
- **Work** directly with, and learn from, Bluum's Finance Team and partner schools in a fast-paced, high-performing, and unpredictable environment.
- **Provide** critical staff support to Bluum with responsibilities for executing all financial state reporting and audits with careful attention to details to ensure positive outcomes.
- **Act** as a results-driven business leader with experience in, and commitment to, operational and financial excellence and the use of data to drive operational and financial decisions.
- **Communicate and collaborate** with School Leaders and Staff and manage well at all levels of the organization.
- **Operate** with a high level of integrity and dependability with a strong sense of urgency.
- **Possess** strong problem solving and creative skills and the ability to exercise sound judgment and make decisions based on accurate and timely analyses.
- **Be** a constant learner by regularly reflecting on your own strengths and areas of development.
- **Create** a real, and long-term impact in Idaho.

**WHAT YOU BRING**

- Bachelor's degree required
- CPA or advanced degree is preferred
- Accounting experience with a CPA firm or school-based organization
- Project management experience
- Impeccably organized and task oriented
- Ability to multi-task and remain adaptable in a high-paced environment
- Exceptional critical thinking skills, including the ability to find solutions to what others consider insoluble problems
- Passion to thrive in a new environment with challenging opportunities

**WHAT WE OFFER**

- Competitive salary
- Benefits (health, vision, dental, 403b)
- Relocation reimbursement
- Opportunity to travel to high performing schools
- Leadership coaching and mentorship
- Technical assistance
